

EDUCATIONAL TRAVEL PROGRAM CONTRACTS

The Board of Education believes that field trips and other travel opportunities for students are a valuable tool in supporting classroom instruction and promoting students' awareness of places and events. If contracting with organizations to provide educational travel services, the Board desires to ensure a quality educational experience and the health, safety and welfare of each student traveler.

In such cases as the Superintendent or designee determines to contract with educational travel organizations he/she shall contract only with educational travel organizations which adhere to state law and exhibit safe and reputable business practices.

(cf. 3312 - Contracts)
(cf. 3541.1 - Transportation for School-Related Trips)
(cf. 6153 - School-Sponsored Trips)

The Superintendent or designee shall establish procedures for selecting the highest quality vendor, taking into account student safety, quality of the program and fiscal integrity.
