3.3 Construction Management Report (Exhibit) (Action) Most projects are expected to be completed ahead of schedule including Salk Elementary School and Kearny High School's Stadium. The switch to the new electrical system at Marshall Elementary School is a large project and will take considerable time to complete. There is discussion on possible temporary power solutions that will need to be put in place to cause the least impact to students. 3.3 FORWARD CONSTRUCTION MANAGEMENT REPORT TO THE OCTOBER 16 FULL ICOC MEETING Motion: D. Akers Second: M. Kriz Vote: (3-0): passed Mr. Stoneman will have a column added for Year 6 on the Quarterly Report. 100 school sites currently have campus wide WI-FI. The question was asked what the goal is for 2014-2015. Mr. Stoneman will research and report back at the November 6 meeting. Mr. Ponder asked that a report be provided showing what devices each school site has. This was previously provided by Ms. Allen and Mr. Stoneman will research and report back. 3.5 FORWARD IZI QUARTERLY REPORT TO THE OCTOBER 16 FULL ICOC MEETING Motion: D. Akers Second: M. Kriz Vote: (3-0): passed Mr. Harris reported the discovery that a large contractor the district uses has not been reporting the number of workers it has on jobs. This omission has affected the numbers reported on the PSA update and a solution is being researched. Mr. Harris provided an update on the arbitration he had previously informed the committee of. The contractor was successful and the district will review the full impact of the arbitrator's decision. An update will be provided to the arbitrator's decision.
